#### Believe

I believe in all the promises in the Bible, especially when God says: "I will be with you" sometimes started as "I am with you" to Moses in Exodus 3:12. Jesus makes this promise to his servants every time He sees that there is fear and a sense of inadequacy or monumental challenge before those who are in His service (Matthew 28 : 20). Paul noticed this at the Church of Corinth for Timothy. "Make him feel at home, for he is doing the Lord's work just as I am." (1 Cor 16:10) God says that I am with CARHA in Haiti. This is the reason why we are not afraid to face the big challenge of paying 35 employees, feeding 33 orphans, providing supplies for over 1000 students in 3 schools in the villages, received over 80 patients in our clinic, supporting 5 churches in the villages, starting a new campus in the city of Gonaives with a Bilingual School in order for CARHA to become self supporting, and building a hospital with 100 beds to serve over half a million in Artibonite and the rest of the Haitian Community. We are not afraid to stand up to build a house for the orphans with a capacity of 270. God's promises never fail because money, silver and gold belong to Him. He tells us to be available and not to be afraid. He will use us in the way He wants. We are not afraid because we believe in what He says "I am with you says the Lord of resources."

#### Hi my beloved supporters,

If you are planting for a year, you plant grains. If you are planting for a decade, you plant trees. If you are planting for a generation, you plant people."

My brothers, what you have been doing for those orphans in the mountains of Bayonnais is a big contribution to rebuild Haiti. Let's do it for God. Let's help those who can't help themselves. Thanks a lot for your help!

#### CARHA Mission Trip Testimonies

##### Leon R. Camarda - Port Saint Lucie, Florida

"My experience going to Haiti was much more fulfilling than I ever expected. My expectations were to spend a week in a 3<sup>rd</sup> world country helping where I was able to help, and going home feeling good about the support I was able to provide. The actual experience was completely different. I was exposed to a group of people whose purpose was to serve God through their many different jobs which included Pastor, Teacher, Orphanage Director, Musician, and Doctor to name a few. They all knew their purpose and although some had big challenges in front of them, they were all 100% committed to serving God's will. I also had an opportunity to see what C.A.R.H.A. is really about, through talking with the leaders in Gonaives and spending time with Djumy Septembre. I now know that I have a part to play in C.A.R.H.A.'s mission, and I'm very excited to be involved with seeing C.A.R.H.A.'s vision carried forward."

##### Dr. Hernanne Medina - Brazil

When Djumy asked me to write something about our trip to Haiti, I was a little bit in doubt about how could I express all the great feelings that have in my heart after this marvelous journey, and so I decided to justify in God everything that came to me...one week before leaving Brazil, I prayed God just to know His opinion about my trip...I held the bible for two minutes, I concentrated in HIM and opening this Holy Book, immediately the answer appeared: Matthew 28: and Jesus came and spoke to them, saying: "All authority has been given to Me in heaven and on earth. GO THEREFORE AND MAKE DISCIPLES OF ALL NATIONS, BAPTIZING THEM IN THE NAME OF FATHER, AND OF THE SON AND OF THE HOLY SPIRIT, teaching them to observe all things that I have commanded you; and I am with you always, even at the end of the age." Amen.

##### Steve Septembre - Port Saint Lucie, Florida

The first Mission trip to Haiti. Hope for Haiti.

My trip to Haiti has been really tragic and exciting. I have seen a lot of friendly people and I got to visit the orphans at the orphanage. We can change Haiti and make it a better country. I have seen the destruction in Port au Prince and it is really bad. Haiti used to be a nice tropical paradise with a lot of crops and green plants. After the Hurricanes 2004 and 2008 and the earthquake on January 12, it was really devastated. CARHA needs you to come and work together for a new Haiti. Say yes, we can do it.
