March 2011

Dear Faithfull Supporters of CARHA,

We thank God every time we find the opportunity to write to you and let you know what is going on within CARHA. Last year was a very eventful year, full of unwanted surprises. However, they all confirm that God's promises remain true in all occasions. We all know that "He never makes mistakes, even when we do not understand." Isaiah 43 testifies that He is with us whether we are in the raging waters or in the fire. Certainly, God was with us! Praise The Lord! Earlier this month, I had an amazing missions trip to Haiti with Jennifer and Susan from Florida and Don Todd from Tennessee. All of the children enjoyed VBS very much. The pastoral leadership classes went very well. The revivals in the evening were so powerful that many of the people refused to go back home even when the service was over. Nine individuals committed their lives to Christ and were baptized. It was a great week. Thank you all for your ongoing generous support to the ministry.

To God Be The Glory!

DJUMY SEPTEMBRE, Executive Director / Founder

Mission's Trip Testimony

WOW! What a wonderful experience it was to travel to Haiti once again. It was great to work with the other team members and with the local ministers and church leaders. I continue to be amazed at both the joy and the resilience of the Haitian people, especially in the churches we visited. Their problems and poverty seem to only make them more determined to do "whatever it takes" to succeed in their environment.

We were privileged to share in several areas of service: leadership seminar, revival services, baptismal services, minister's appreciation banquet, and VBS. We also visited the medical clinic and the orphanage. Many, many people are being helped, ministered to, and being led to Christ through these programs. Thank God for Djumy's leadership and for the sacrifices that the area ministers are making for the Lord's kingdom there.

Please keep all the Haitian people in your prayers and give thanks to God for those spreading the saving Gospel of Christ all over that country.

God Bless, Don Todd, Memphis Inner City Outreach

CARHA WELCOMES STEPHANIE STUMBAUGH

We thank God for the bountiful blessings He has bestowed upon CARHA. As we move forward, we want the opportunity to give a warm welcome to Stephanie Stumbaugh. She has volunteered herself as a Stateside Administrative Supporter.

She has been married to Curtis Stumbaugh for over 8 years and they have three beautiful children: Coral 7, Canyon 6, and Chason 3. Stephanie is planning to go to Haiti in November with a mission team to visit our various ministries. Let's all welcome her and continue to keep her in our prayers.

Mission's Trip Testimony

As I sit down to write this I am back from Haiti less than 24 hours. I will try to gather my thoughts and articulate to you what this experience has done to me, my prospective on life, possessions and priorities. First let me give you some background. My husband Bob and I have sponsored a child in Haiti since we met Djumy at Calvary Chapel PSL. We were pretty pleased with ourselves for taking this step and helping someone we would surely never meet. We signed a monthly check and occasionally thought about her plight. Through a series of events, over a period of months, this child became real to us, and I knew I had to meet her. I knew little about MyDarline, but I knew beyond a shadow of a doubt God wanted me to go to Haiti to meet her, and her family. Let me assure you the idea of a mission trip, was not in my vocabulary or thoughts. I had friends who went and shared their stories and to be honest I was not moved to do anything, but listen. Meeting MyDarling was a stirring experience. She was shy like any other child of her age. She is just over 3 years old. I never did meet MyDarline's family as she lives quite a distance from the school she attends daily, and unlike her I did not attempt the journey. She lives in the mountains. She, like many others, walks long distances through rough terrain for the opportunity to learn. She is one of the fortunate ones as she is sponsored and gets to eat everyday while at the CARHA School. The menu is always the same. Rice, beans, or spaghetti. There are many other children who currently attend the school and are hungry. At home they may or may not have any food. They come anyway to be taught. I was part of a team that did Vacation Bible School for over 500 children at several CARHA locations. Their Bible knowledge was amazing and accurate. The teachers in Haiti are doing a wonderful job of educating these children for little or no pay. I witnessed hearts of servant hood like I have never seen before. CARHA needs more people to support their efforts. There are so many who are in need of assistance. I am aware, not everyone will go and visit these children. I understand the obstacles. If each person would do something, these children would have a hope for a future. Please search your hearts and ask God how you can get involved. Thank you Djumy and CARHA for the opportunity to serve.

With Gratitude, **Susan Stone**

Susan

VBS "Haitian Style"

Once again, I had the opportunity to travel back to Haiti with CARHA. One of the projects during our time there was to share the message and love of Jesus Christ to the children through VBS (Vacation Bible School). I have taught VBS for many years here in America, but I have to tell you that "Haitian Style" VBS is definitely the way to go! I have never had so much fun with this Great Christian Pastime. Instead of trying to conform the Haitian children into an American way of doing things, we geared all of our activities toward their culture and all that they enjoyed. We played soccer, kick ball, frisbee and football...we sang and we danced. We shot off balloon rockets, blew bubbles, gave out stickers and lots of candy. We were also able to share the life changing message of Jesus with them and to remind them of His great love! The children were incredibly receptive to our play as well as the message! They are amazing children, each and every one of them and it was a privilege for me to once again get a closer glimpse into their lives.

Thank You So Much For Giving,
Jennifer Court

Upcoming Mission Trip to Haiti

As some of you may already know, on May 24-30, August 23-29, & November 2-7 2011. I will be traveling with teams to Haiti. We are continuing to do the work you have so diligently supported through your prayers and financial sacrifices. God is truly blessing our schools, orphanages, clinics and churches. Our teams will be working on construction and medical needs of the villages schools, orphanages and church locations.

Please commit to praying for our 2011 teams. I hope I can count on you for a generous donation to help with project, travel, and medical costs. If you feel like you are being called to help in the mission field and would like to bless others with your talents please feel free to contact us, as the harvest is great and the workers are few. It has been exciting to watch God work and to see some amazing things come together since the trips you supported us in since the devastating earthquake last year.

Your contributions will help us to buy: medicines, construction materials, transportation, and more
