Dear Ministry Supporters,

We truly count it as a blessing to have you as a Ministry Partner, helping us reach and serve the needs of the people in the rural part of Haiti. Together, you too are now a part of Matthew's Great Commission and we are Missionaries for Christ. As a missionary, you have helped spread the Gospel of Christ and to provide for many basic needs. Your financial efforts have allowed CARHA to help feed hundreds of people Spiritually, Physically and Mentally.

Here is a quick review list of some of the things that God has done as a result of you, our ministry partners, helping with your prayers and offerings:

- 1- Several Churches have been planted in the last few years.
- 2- One thousand kids are receiving a quality education.
- 3- Hundreds of meals are distributed on a daily basis.
- 4- Hundreds of teenagers are now going on to high school.
- 5- Thousands of people now receiving medical care.
- 6- Most importantly - Hundreds of lives have been forever changed as they have come to know the saving power of Christ's love and have accepted Christ as their personal Savior. They have been able to walk from their "darkness" into the saving light of God's grace.

Just know that God can take even your smallest gift and can turn it into something big. Our ministry is a true testament to that very fact. We thank you again.

Dear Brothers and Sisters:

It is hard to believe another school year has begun for the students in the mountains of Bayonnais. We begin this school year knowing that God has great things in store for our ministry and that we are now being able to provide hope in essential ways.

This past summer we were blessed by receiving over 150 new sponsorships for the children we serve here in the Bayonnais area. If you helped to sponsor one of our children or provided other financial support, thank you. If you would like to help sponsor one of our many children, please contact us. Through sponsors like you, we are now beginning to meet some of the basic needs of the families and children we serve.

As we begin the new school year we are already feeling the pains of growth. We no longer have enough classroom space for our children and it is our goal to continue to educate and minister to as many children that God sends to us. Can you believe we are now serving over 1,000 students through your help. Praise God!

Please continue to pray for us and for how God would like to use your resources in assisting in the rural region of Haiti. One of our toughest challenges is to assist with the emotional needs of our children. We love on them as much as possible and we have found that they really look forward to groups that come down to visit them. If you feel the need to surround yourself with bright smiling faces and constant attention, then we definitely have a destination for you. We would love to have your church group consider making a life changing visit. God may have big things planned for you. Give this some prayerful consideration and then contact us for more information. With your help and prayerful support,
